

Assemblée de Découpeur de Bois (Woodcarving Weekend at Perron's)

This event will be held at Paul & Roxane Perron's acreage west of Saskatoon on July 14th and 15th, 2018. All carvers (and spouses) are welcome. Feel free to bring goodies to share for coffee breaks. There will be a potluck supper on Saturday evening. Meat will be supplied for a small fee to cover costs (\$15 per person). Participants are invited to bring either a salad or dessert for potluck. Those who are planning to attend are asked to email Paul at prperron@sasktel.net or call at 306-280-1111 and leave a message (however, email is best). Directions for those registering to attend will be provided via email for those who have an email address.

For those who are travelling farther than from Saskatoon area, there is non-serviced camping on site (sorry – no open fires) at no cost in a designated area. Please indicate if you will be camping when registering and whether you will be tenting or using a trailer/RV.
