

## Complete your Ph.D. (Project Half Done)

### **Workshop Outline:**

The purpose of this event is to complete our Ph.D.'s (Projects Half Done). There isn't one of us that doesn't have multiple carving projects started, and they are collecting dust on the shelf. It's time to get these projects finished. You may be stuck on how to proceed in a particular area of the carving and need some direction. Our group is never short on advice on how to \_\_\_\_\_. So, plan on joining us at our Ph.D. Saturday event. If you are going to attend, please contact Herb or Tim, see below.

Windsor Plywood is generously allowing us to gather in their store once again. We will have to supply chairs and tables. Please let Tim and Herb know if you can assist with this request. Coffee, water, pop, and a pizza lunch will be included in your fee. Please refrain from using power tools as we do not have a dust collection system in the space. Windsor Plywood is going to allow us to set up a display table on the main floor for their customers to view our work. Please let the organizers know if you intend to bring a piece to display. They are also going to allow us to sell some of our pieces if we want. These pieces will be placed on a sales table with your name and price. No sales items to be located on your carving table. Please keep in mind that we are limited to one table so limit how much you want to display for selling. Please contact Tim if you are planning on selling items. There will be coffee, water, and washroom facilities provided for.

**Workshop Location:** Windsor Plywood, 920 Bower Crescent, Regina, SK.

**Date/Schedule:** Saturday, March 14<sup>th</sup>, 2026  
Workshop: 9:00 a.m. to 12:00 p.m.  
Lunch: 12:00 p.m. to 1:00 p.m.  
Workshop: 1:00 p.m. to 4:00 p.m.

**Cost:** \$20.00, includes coffee, water, pop, and pizza lunch.

### **Register with:**

Contact Tim Caswell at [tcaswelldcaswell@gmail.com](mailto:tcaswelldcaswell@gmail.com) or Herb Klassen at [hklassen@myaccess.ca](mailto:hklassen@myaccess.ca) if you wish to register or have any questions. Please register no later than Tuesday, March 10, 2026. Registration fee to be paid to Herb Klassen (club treasurer). Please feel free to pay in advance or on Saturday when you arrive.

Please note this event is to work on projects that you have on the go or are wanting to start. There will be **NO** blanks provided. We need you to register as we have limited space and must order enough pizza, coffee, water, and pop, as well as figuring out how many tables and chairs we will require.
